

Charlotte Bilingual Preschool Ongoing Volunteer Opportunities

- Temperature Checkers - Volunteers will ask our families to answer the 3 COVID-19 protocol questions (they will be translated on a piece of paper), take their temperature and record it in a Google form. Once the COVID-19 protocol has been completed, the volunteer will ask which classroom the child belongs to and give them a sticker based off of their response.
- Traffic Directors - Volunteers will facilitate social distancing and ensure that students safely go into and come out of the building.
- Greeters - Volunteers needed to joyfully welcome our children back.

It is important to note that no volunteers will be allowed into the building and all volunteers will be required to wear a mask at all times. Upon arrival to Hickory Grove Elementary, volunteers will be asked to take their temperature and answer the COVID-19 protocol questions. It goes without saying that if you are not feeling well, or if you have recently been exposed to anyone that has tested positive for COVID-19, please stay home.

A mandatory, free CMS background check is now needed for any volunteer directly interacting with children or families. In order to comply with this regulation, please visit the website below to create a login and receive clearance. Once you receive an email which gives you clearance as "Unsupervised Without Driving", please forward me the email. This will serve as proof that you received the background check. <https://www.cmsvolunteers.com/>.
